

SAINIK SCHOOL KAPURTHALA

ADVISORY TO PARENTS REGARDING THE ONGOING ON-LINE CLASSES

Dear parents,

The school is making all efforts to ensure that the cadets utilize their time creatively and fruitfully. The school has started a system of online cases wherein cadets are given lessons using various platforms and resources.

In order to ensure the safety of the child online and to ensure that the child gains maximum benefit from these classes, the parents must follow the following guidelines:

1. You must ensure that your child attends these classes regularly.
2. You must ensure that you remain with your child during the entire duration of the classes and help him understand the topics clearly.
3. You must ensure that all the apps that are required to attend the online classes are installed by you. For face to face interaction apps, ensure that the account is not in the child's name and the child logs in only as a 'guest'. In case of YouTube videos, ensure that the app doesn't run the next video automatically.
4. You must also ensure that your child finishes all the assignments as per the instructions provided.
5. You must also ensure that in case of difficulty, the child interacts with the teachers as per the time slot given in the instructions already provided.
